A WORLD CLASS EXPERIENCE

At Europe's Most Private Beach Resort

The Porto Zante Experience

Porto Zante is the leading villa resort in Europe that puts ultimate privacy, warm personal services and unique experiences on the forefront.

From blissful downtime to action-packed escape, the resort offers a wealth of options to choose from, whether discreet romantic candlelit in-villa dining, holistic treatments for two, joining couples yoga classes, partaking in watersports or exploring nearby hideaways, such as famed Navagio beach, by yacht. Zakynthos itself, regarded as one of the most beautiful Greek islands, is ripe for exploration. The Venetians settled here in the Middle Ages and their legacy can still be seen in the historical buildings dotted throughout the area's lesser explored villages.

Guests can also visit Ancient Olympia, get close to nature by enjoying a sunset cruise, swimming with turtles, tour the local landscape by private speedboat or sample fine wines at a local vineyard. Offering unparalleled privacy and seclusion, Porto Zante is the perfect romantic getaway.
